Reflections on this week's

Scripture: The third Sunday in Lent focuses on the gift of God's law. John Calvin described three uses for the 10 Commandments: First, they show us how to live before God and neighbor and expose our sins in failing to live as God intends. Second, they instruct our civic or common life, showing us how to live responsibly in the freedom God gives. Third, rather than show us what we must do in order to receive God's grace and love, the commandments show us how we *should* live because we are a people who have already received God's grace and love in Jesus Christ.
