In this eBlast we look at last weekend's events and we look forward to what we have coming up.

Busy Weekend!

Lock-in and Concert

Youth Group Lock-In

Testing out the dulcimer!

Last Friday from 6 pm until Sunday morning our youth were locked-in. In addition to watching movies, running in the park, and going bowling, they listened to speakers on the topic of "This Changes Everything," which is the theme of the Lutheran Youth Event at the end of June. On Sunday afternoon, the community was treated to a wonderful concert by the Eastman Community School of Music Hammered Dulcimer Ensemble. The concert goers were invited to test out the instruments and seeing a bass in the pulpit was certainly a surprise!

It's a Mystery!

Do you know what happened to the slate that has been stored in our parking lot? Sometime after last Sunday it disappeared, and we don't know who took it. Whoever took it left the area tidy and neat. Who should we thank? If you know, please call the parish office and tell us! 570-888-2270.

Miles of Pennies

The competition between the Sunday School and congregation for the honor of being Penny Champion is going strong. The winner will be the group that brings in the most pennies for the Miles of Pennies Project. The donated pennies are used by the Miles of Pennies group to purchase books for those who cannot afford to buy them. Currently the Sunday School is slightly ahead of the congregation. The race to the finish will end May 13, 2018.
