

At their meeting last Tuesday evening, the Vestry:

- Adopted a \$15,400 deficit budget for 2020 to be presented at the January meeting. The budget represents a 6% increase over last year.
- Set the Annual meeting and potluck supper for **January 19, 2020** following our Sunday church service.
- The Vestry thanks everyone who attended the small group discussions. We received a lot of feedback to use moving forward. The comments will be published in our Annual Report and discussed at the Annual Meeting
- If you are asked to run for Vestry, please say “yes.” If you are called to serve in this way please see a vestry member or Pr. Melinda.
