SCRIPTURE REFLECTION

How will it change the way we treat one another - or even ourselves if we bless God's name every day rather than cling to the negative or complain about the things that do not go as planned?

The Write of Second Thessalonians implores his readers to "hold fast to the traditions that you were taught by us, either by word of mouth or by our letter". Identify some traditions you should hold on to. Are there traditions we should reclaim? What about traditions that have served their purpose and can be let go. What are the traditions of our congregation? the greater church?

The St. Mary's Guild Fall Fair is next Thursday, November 13th from 10:00 am–8:00 pm. We would appreciate help with setup on Wednesday, November 12th from 9:00-12:00 and cleanup on Friday, November 14th from 9:00-12:00. Please call Rose at (607) 221-6797 or Glenda Hinsman at (570) 888-7193.

[Altadena residents collect ornaments hoping to bring joy to the community following Eaton Fire - CBS Los Angeles](#)

We have a personal connection to the horrible fires that devastated communities in Los Angeles last winter. Rose Carpenter's niece, Emily Viglietta, is among those who lost everything. If you click on the above link, you can read a feature article that tells how Emily and others are easing the pain of loss by soliciting Christmas ornaments to replace those destroyed in the fire. If you are so inclined, below is a link that tells you how you can donate an ornament to these bereft families.
