## Scripture Reflection

As you read or hear the story about Jesus meeting the Samaritan Woman at the Well (John 4: 5-42) think about the meaning of water - its symbolic qualities, its presence in nature, and its use in human life. How is Jesus like water? What are the things that are most necessary in your life? Where do you get them? Consider contributing to a project that provides clean water to people in need. TEC has a number of water related projects through Episcopal Relief and Development. . You can access them here: [Clean Water - Episcopal Relief & Development](#) If you make a contribution, make a commitment to pray for all the providers and recipients of this service.

## March Food Item

For the month of March we will be collecting canned fruit for our local food pantries. As always, thank you for your continued support.

On Tuesday February 3<sup>rd</sup> St. Mary's Guild gathered for their monthly meeting to celebrate love for Valentine's Day. We had a lovely potluck meal and played a Bible Trivia game. Our winners were none other than Betsy Schumacher and Bonnie Garrity, our Sunday school faculty. It was such a great time!
