I am currently enrolled in a BSN program at Chamberlain University and I am doing my practicum course. As part of that course, I would love to inform you about heart disease prevention. I'll be attending services for Palm Sunday and the Sunday after Easter. I'll also be doing a CPR demonstration with the AED device during the time set aside for the Sunday sermon. Scripture Reflection

As this week unfolds, spend some time each day pondering the mind of Christ. What is the shape of his compassion? Describe the image of such great love. Finally, what does it feel like, physically, to be so utterly cared for?
